

WA pool firms make a splash at national awards

ANN McRAE

West Australian swimming pools have again proven their worth on the national stage.

All the gold award winners from the WA Swimming Pool & Spa Association annual Awards of Excellence are pitted against the best from all other States in a national contest.

Each year, many of the WA pools and spas that have won gold locally go on to be the best in the nation. This year, nine WA entries won gold in the State and national competition and four were awarded bronze status at a national level.

The most successful WA winner was AVP Commercial Pools which won gold awards nationally for their commercial swimming pool over \$250,000 and a commercial pool renovation over \$250,000.

The winning new pool was built at the Craigie Leisure Centre and cost over \$2 million.

The renovated commercial pool winner was the Aquinas College swimming pool renovation that cost \$315,000.

The other gold winners nationally were:

- A1 Pools for a concrete pool up to \$50,000
- Exclusive Pools for a concrete pool under \$100,000
- Quality Dolphin Pools for an indoor pool
- Barrier Reef Pools for a fibreglass pool up to \$40,000
- Add a Splash Pools for a vinyl lined in-ground pool
- Classic Pools for a vinyl-lined above-ground pool
- Reflections Poolcare for a renovated residential pool over \$25,000.

Bronze awards went to Quality Dolphin Pools, Barrier Reef Pools, Imperial Pools and Future Pools.

All the SPASA winners can be seen online at spasawa.com.au

A new pool at Craigie Leisure Centre, by AVP Commercial Pools, won best commercial pool over \$250,000.

Exclusive Pools took gold for a concrete pool under \$100,000.
